## From the Faithful Navigator

Worthy Sir Knights,

It was a pleasure seeing my Brother Sir Knights attend the Adoration, Rosary, and Mass before the July meeting and installation of Officers. I cannot think of a better way to start off my Term as your Faithful Navigator. Thank You!

As I begin my term I have contemplated and prayed that I may be a good Navigator and bring good things to our assembly. During my nightly prayers, I had a thought that came to me somewhere between an Our Father and a Glory Be. I constantly am teaching my children is it not what you SAY you will do that you will be judged on but rather by the ACTIONS you take. Sir Knights, I hope to bring actions to you that will make our Assembly proud. I would like to explore membership options and opportunities. I would like to get us visible to everyone through our Charitable works. I would like us to have Fraternity as Brother and Sir Knights. I know these are words right now, but I hope to make them into actions. This is not something that can be accomplished alone; It takes a team. I know that I can count on you to help our Assembly continue to be great!

Our next meeting is our yearly planning meeting and is set to be at St. Jude in Rochester on August 11th at 7pm in their Parish Hall. I will work on getting a virtual component of the meeting as well for those that cannot come in person. Typically, we have a meal for this meeting. It is my professional opinion that we should not have a meal this year due to the pandemic as there is not sufficient protection available at St. Jude. I am sure that we will have refreshment however.

With the current state of things, I will keep everyone updated should something change.  
Vivat Jesus!

**SK Lambert Fleck IV, Faithful Navigator**

## Honor Guard

We will continue to reassess as we move forward. Please keep a look out for extra updates as I will publish them as I get new information.
