7:00 PM Council #5754
St. Peters Church Hall
Petersburg, IL

September 2020

From the Faithful Navigator
Worthy Sir Knights,

I was incredibly happy to see such a wonderful showing at our August meeting in Rochester! This is something that I strive to continue and to bring new faces to our meetings and our order. I would like to issue a challenge to you, Worthy Sir Knights. When you go to your council meeting, ask a Brother Knight if they would like to be a 4th degree member. If they are one, ask if they would like to come to the next meeting. If you are not sure what to say, please contact me and I will attempt to make a meeting and speak to your council about the 4th degree!

As I finalize our meeting locations for the next year, I would like to remind everyone that our next meeting is September 8th, at St. Peter's Parish Hall in Petersburg, IL. This date is also the Feast of the Nativity of the Blessed Virgin Mary. Some words to think about; We can look at every human birth as a call for new hope in this world. The love between two human beings has joined with God in his creative work. The loving parents have shown hope in a world filled with travail. The new child has the potential to be a channel of God's love and peace to the world. Each of us have God's love and peace within us. How we choose to spread that Love and peace God bestowed upon us is up to us. While I am not always successful at doing so, I choose to show compassion every chance that I can in hope that whoever is on the receiving end may see God's love in me. In turn, perhaps they will do the same to another and come closer to God in their own exercise of God's Love and Peace.

Vivat Jesus!

SK Lambert Fleck IV, Faithful Navigator

Honor Guard

We will continue to reassess as we move forward. Please keep a look out for extra updates as I will publish them as I get new information.

SK Dennis Johnson, Commander

Sir Knights Ladies Auxiliary

At the August meeting we welcomed new member Myrna Livengood to our Auxiliary. We hope to see her and all the other newer and seasoned members at future meetings. We will try to keep our meetings short, to the point, and fruitful. Most of all, we will have some time to just be together and visit, which is so important at this time.

See you next month and stay healthy!

Sincerely,

Barb Schmidt,

President Ladies Auxiliary
